## KMC initiative... Montage Film Society 2015

Started by **Saumajit Bhattacharya**, a professor at Kirori Mal College, Montage has about 40 members. "We show French New Wave, Italian neo-realism and Iranian films," says Avinash Saurav, the society's ex-president and one of its active members. The availability of such films on the internet has meant that the crowd has dwindled but what the society offers that solitary viewing doesn't is "dialogue and discussion". "We are not affected by numbers. If even 20 people turn up it's okay," he says. The club is also a hub for those who aspire to make films.
