Greetings

I received my degree certificate today. I thank you for your services..

Arjumand S Kazi BA 1997 USA

Thank you for your email. I agree that I did not provide any information about me. However, after trying for many years to get someone from the University of Delhi to response to my emails, I was not sure if I would get a reply this time either. It was a one last try !

Honestly I was surprised to see the upgrade of the University website and am happy that I was able to connect with you.

So I really appreciate your time and the information you provided. Thank you

I received my Degree today and was so happy to see it.

It has been only because of your guidance and help that I could pursue it .

You lead me all the way and today I saw it after 30 years.

I have no words to thank you for everything, but heartiest respects to a great mentor.

Thank you for your good wishes Professor.

Thank you very much for all the cooperation you provided for getting hold of my degree.

With great relief I would like to inform you that my family has received my degree today afternoon.

Thank you once again for your continued support in this matter. You were the only one who pursued this matter with gravity and relieving me of my ordeal.

From the bottom of my heart - **Thank you and your wonderful team.** I am truly grateful and realized upon speaking to you, what a tough job the exam staff have dealing with countless applicants. **Thanks for putting things into perspective** and my apologies for my lack of understanding. I am lucky to have your support and **your tireless efforts to fulfill an alum's request** from decades ago is truly laudable.
