

To all our dear fellow – Academics

We've been **ReachingOut** to alumni across generations and continents to enhance the *DU – Alumni Dynamic*.

We now move Towards The **Centenary...2022!**

Among our ongoing efforts is the creation of a comprehensive DU **Global Alumni Database** and have over 42,000 names from multiple sources .

As part of overall **Recall**, we wish to share with our alumni worldwide the excellent Doings (?!) of our teachers who have touched their studentlives in decadespast,

We count our Teachers , both past and present as a very valuable humanresource who continue to inspire and motivate the several generations of DU alumni .

Please fill in the attached **Eminent Academic Factsheet** EA FSh and send it to reach us within *a fortnight* of the date of this letter.

And

if you have any photographs / letters / programmesheets /documents etc of what you believe is of DU **historical / archival** value, will be very happy to receive, scan and return to you **or**

if you are so wish , to send it on to the DU **Archives** with due acknowledgement to the donor.

***An A4 Profile**would be really good to receive !
