Towards The Centenary 2022... !

AdAL 2018 / Aca RP

To all our dear fellow – Academics

We`ve been **ReachingOut** to alumni across generations and continents to enhance the **DU- Alumni Dynamic** .

We now move Towards The **Centenary...2022 ... !**

Among our ongoing efforts is the creation of a comprehensive DU **Global Alumni Database** which now has over 42,500 names from multiple sources .

As part of overall **Recall**, we wish to share with our alumni worldwide the excellent Doings (!) of our teachers who have touched their studentlives in decades past ,

We count our Teachers, both past and present as a very valuable humanresource who continue to inspire and motivate the several generations of DU alumni .

Please fill in the attached **Eminent Academic Factsheet** EA FSh and send it to reach us within a **fortnight** of the date of this letter / download .

And

if you have any photographs /letters /programmesheets/ documents etc of what you believe is of DU **historical** / **archival** value , will be very happy to receive ,scan and return to you

or

if you are so wish , to send it on to the DU **Archives** with due acknowledgment to the donor .

*An A4 **Profile**world be really good to receive !
