The alumni dinner hosted by the Old Students' Association OSA of Hindu College was an occasion that saw the presence of many top-ranking government officials and corporate leaders . Guests took a walk down memory lane as they talked about their college days .

“Then, there was a popular tea joint in the campus area called *Angrez Ka Dhaba*, which was quite popular. On our 25th wedding anniversary , my wife and I visited the university area and spent some time there” said Ashok Lavasa .
