

Percipience

The Delhi University Eminent Alumni Lecture Series

Preamble

Percipience The Delhi University Eminent Alumni Lecture Series has been launched 1 Mar 2017 with a view to strengthen the continuing bond between the parent University of Delhi and its huge, universally diasporic and brilliant alumni .

This Series will enlarge and enrich DU's meaningful relationship with the alumni and seeks to create viable, communicative forums for alumni as Mentors - Enablers – Guides - Sponsors and provide them a forum to share their ideas and experience.

The interaction will go a long way in guiding and inspiring the immense 750,000 – strong DU community of students, teachers and staffs, besides parents and citizens at large to help construct, build brick-by-brick, idea-by-idea a greater, more aware-more achieving- more prosperous *New India* as The University reaches towards its ***Centenary*** 2021 – 2022 .

It is also hoped that the Series will engender Thought 'n Idea processes leading to seminal perceptions and concepts geared to Civilisational Advancements.

Very eminent alumni of the University are being invited to deliver a talk/lecture on a mutually agreed theme.

It is a matter of record that our University has produced over 3.6 million alumni since the first Convocation 26 March 1923 .
