## Recalling Kamakshi , the brilliant lovable Lecturer – Reader

The Shaheed Bhagat Singh fraternity expresses its intense grief and deepfelt sense of loss at the tragic and untimely passing away of Ms Kamakshi Trehan , Reader in Mathematics and the seniormost lady academic of the college , on October 24 1993 .

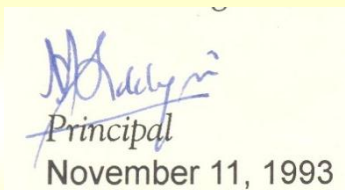

Born on December 4 , 1946 and educated in DTEA School and Ramjas College in the Capital , with specialization in Mathematical Topology , Kamakshi 's student career was , marked both by cultureprizes , and by academic brilliance that secured her two top University of Delhi positions : second in BA Mathematics Honours in 1966 , and fourth in MA Mathematics in 1968 .

Joining the college as lecturer on October 26, 1968 she used her culturetalents , especially in vocal music , and her creative skills in helping develop cultural traditions of the college , having been President Fine Arts Society in 1968 – 1969 itself .

A dedicated academic , she was member of the University's Faculty of Arts form August 7, 1982 to August 6, 1985 and was Member Faculty of Mathematical Sciences since August 7 ,1991 .

Warm , friendly and ever gentle , Kamakshi endeared herself to one and all and her loss is indeed an irreparable one .

May the departed soul rest in peace and my God grant her husband Dinesh , son Amit and daughter Parul and other loved ones courage to hear the great loss .
